Dear Charles:

I enclose for your review a copy of the second draft patent application for the above-referenced invention, which incorporates Chuck Higgins's few comments on the first draft. Please again forward a copy of the draft to Mr. Higgins for his review as well. I do not anticipate that Mr. Higgins will have significant (if any) comments on the text of the application, but, seeing as the drawings provided in the disclosure are especially crude, I would request that Mr. Higgins provide additional information or detail to the drawings so that I can make them suitable for filing.

Perhaps a simple fax (or even a telephone call) would be sufficient to clear up any remaining difficulties, and following that, I will prepare a final application for filing.

Thank you.

Sincerely,

James P. Bergin
